# Enjoy More with Your Parts Management Agreement

For a limited time, purchase a new **Parts Management Agreement** and receive a one-time **Annual Repair Agreement** that is worth \$1,000 for every \$10,000 of the Parts Management Agreement Bill of Material value. That means if your Parts Management Agreement Bill of Material is valued at \$50,000, you will receive a \$5,000 Annual Repair Agreement!

## Promo Details

- A new Parts Management Agreement purchase is considered a first-time Parts Management Agreement contract purchase from Rockwell Automation or an existing customer who has not been in a Parts Management Agreement contract with Rockwell Automation in the last 12 months; this promotion does not qualify on contract renewals
- The new Parts Management Agreement must be purchased by September 30, 2021 to qualify for this offer
- The new Parts Management Agreement must be a minimum of \$10,000 total contract value
- The Annual Repair Agreement has a \$15,000 cap that cannot be exceeded
- The Annual Repair Agreement contract value is good for one calendar year from the Parts Management Agreement contract start date, no extensions will be granted
- Any increases to the Parts Management Agreement Bill of Material value after the order is placed has no effect on the established Annual Repair Agreement contract value
- The Parts Management Agreement Bill of Material value will be based on increments of \$10,000 when calculating the Annual Repair Agreement contract value (e.g., a BOM valued at \$27,000 will yield a \$2,000 Annual Repair Agreement)
